Dear Sir:

INFORMATION DISCLOSURE STATEMENT

In accordance with Applicant's duty under 37 C.F.R. § 1.56 and 1.97, Applicant hereby submits the attached form PTO-1449 (modified) which lists art cited. The art listed therein, while of some relevance, is not necessarily considered to teach or suggest any aspect of the invention described and claimed in the above-identified patent application. This statement is also not to be construed as a representation that a search has, or has not, been conducted or that no better art exists. Rather, this statement discloses only the best art of which the Applicant is aware.

In considering the art set forth below, it may be noted by the Examiner that certain of the references may contain markings, underlinings or other notations. These markings or notations are not to be construed as drawing the Examiner's attention either to selected parts or away from other parts of the references. Any such markings were either present on the copies of the references

obtained by Applicant, or were made thereon during the study of the references by the Applicant and/or his attorneys.

The Applicant notes that the DE 3427067 and DE 4212990 references are not in the English language. These references are believed to be potentially relevant in that they were cited in a PCT International Search Report for a related application.

The Examiner is respectfully requested to consider each of the cited references, indicate such consideration by initialing each reference on the enclosed Form PTO-1449 (modified) and return a copy of the same with the next communication to the Applicant. For the convenience of the Examiner in considering the references, copies of the cited references are enclosed with this communication.

CERTIFICATION

The undersigned hereby certifies under 37 C.F.R. §1.97(e)(2) that no item of information contained in this information disclosure statement was cited in a communication from a foreign patent office in a counterpart foreign application or was known to any individual designated in §1.56(c) more than three months prior to the filing of this statement.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'Spencer C. Patterson', with a long horizontal flourish extending to the right.
